

MINUTES OF PUBLIC MEETING

DISCRETIONARY APPLICATION - Proposed Agricultural Repair Shop

Public Attendance Logan & Jolisa Harder
Dwayne King

CALL TO ORDER Reeve Trevor Reid called the meeting to order at 2:11 p.m.

Reeve Trevor Reid opened the Public Meeting by welcoming everyone; he then asked if there were any comments from the floor.

Dwayne King I am in attendance to support the application for an AG Repair Shop within the municipality; it is great to see an Agricultural business being establish within the RM.

Logan Harder Provided an overview of the equipment they would be able to service upon constructed of a garage, they chose this location as it enabled them to work, play and live within the municipality. It provided the type of environment where they could work from home and raise their family. We have purchased two parcels one on which we will construct the repair shop and the other parcel we will be building a new family home.

Reeve Reid ask is there were any further comments from the floor; hearing none the Public Meeting was concluded at 2:18 p.m.
