Subject: Important: Crop Insurance Town Hall Meetings

Good day RM Councils and Administrators,

SARM has been meeting regularly with the Saskatchewan Crop Insurance Corporation (SCIC) and monitoring the stress and hardship due to the untimely heavy rain and snow thus an impossible fall harvest for many.

When we met in December, we discussed holding meetings in the areas of the province hardest hit by this year's untimely fall weather.

SCIC has arranged to host townhall style meetings in these areas and SARM encourages all RMs impacted to attend and to encourage farmers in your RMs to attend. Members of the SARM Board will also be there to provide support where we can and hear the concerns of those facing hardship.

The meeting dates and locations are as follows:

Ituna – January 20 (10 am to noon)
Sacred Heart Ukrainian Catholic Church
6th Ave NW, Ituna Bon Accord No 246

Davidson – January 23 (10 am to noon)
Town Hall Auditorium
206 Washington Avenue

Saskatoon – January 31 (10 am to noon)
Travelodge Hotel
106 Circle Drive West

Contact SCIC at 1-306-728-7200 if you have any questions about these sessions.

Thank you.

Ray Orb,
SARM President

Saskatchewan Association of Rural Municipalities
